Did you know?

Horse of a different color:

Origin: First mentioned in William Shakespeare's Twelfth Night, "as a horse of that color" referring to the same matter. Eventually it was coined as different color to point out a variation.

Most common meaning: To point out a difference.

Good Luck:

We have a handful of members at the NBHA World Show in Perry, Georgia, October 28th through November 4th. Good luck to you all, hope you have clean fast runs. We know you will make us proud. For those of us who did not go, the show is streamed live via the internet through Barrel Horse News so we can still watch the action.

SHOWTIME

Show Information:

The show season has come to an end, a huge thank you to the Perry Family for your hard work in the booth and as ring crew. Thank you to the members that participated making it a fun and safe show season. Enjoy the fall and winter and rest up for next year.

Awards Banquet:

During the upcoming meeting we will be setting a date for the annual banquet and will also be looking for a few members willing to take care of putting together the details for the banquet. If this interests you, please speak up and let Claire Labbe know. Jamie is already working on awards.
